Dear Store Manager,

I have discovered a dog treat that is new to the market. This product is named **Dr. Dalton's Premium Treats** and is made from one simple ingredient, meat. The treats contain no additives and are free from sugar, salt, coloring, flavoring, sweeteners, gluten, grain, chemicals and preservatives.

Most important is that **my dog loves them.**

Dr. Dalton's treats come in three varieties, Simply Chicken, Simply Beef, and Meat Medley (chicken, beef and pork).

I would greatly appreciate it if you would carry Dr. Dalton's Premium Treats in your store. I will help you sell them by telling all my friends about the treats and your store. In addition, your store's name and address will appear on Dr. Dalton's website making it easy for people in our area to find you.

One more thing, May I take a picture of us with this letter to send to Dr. Dalton? She will send me a free bag of treats just for letting you know about them.

Kind regards,

Requested by: _____ Date: _____

Address: _____ Telephone: _____

Please contact me with your decision.
